INTRODUCING

Friend Community Healthcare System and HATS has teamed up to bring you a newsletter every month. It will be filled with monthly news and highlights in your healthcare system and HATS.

1ST YEAR ANNIVERSARY

Friend Community Healthcare System celebrated its first anniversary as a Rural Emergency Hospital. To celebrate we hosted a party/business after hours event! It was a great chance for local businesses and the community to connect. Thank you to everyone who had a hand in the event, or came to the event!

CONSTRUCTION UNDERWAY

Construction on the Friend Learning Center is well underway. Construction started at the end of October/beginning of November. Please pardon their dust as the project continues.

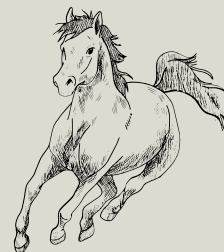

DERMATOLOGY

Friend Community Healthcare System has teamed up with Heibel Dermatology to provide you with dermatology services. Ann Sampson, APRN will come at least once a month to meet your dermatology needs!
